Graduate Certificate in Public Health Course Sequencing - five semesters/sessions* -

Below is the suggested course sequencing to complete the certificate in five summer sessions/semesters. Additional course availability is presented. We are happy to work with students to arrange a course sequencing that fits their schedule.

All courses are offered online.

Fall Semester (1 credit)		<i>Credits</i>	<i>Course also offered online in:</i>
PHS 5004	Foundations of Public Health	1	Summer I

Spring Semester (3 credits)		<i>Credits</i>	<i>Course also offered online in:</i>
PHS 5044	Public Health Policy and Administration	3	Fall, Summer I

Summer Session I (3 credits)		<i>Credits</i>	<i>Course also offered online in:</i>
PHS 5025	Epidemiology and Quantitative Methods in Public Health I	3	N/A

Summer Session II (3 credits)		<i>Credits</i>	<i>Course also offered online in:</i>
PHS 5026	Epidemiology and Quantitative Methods in Public Health II	3	N/A

Fall Semester (6 credits)		<i>Credits</i>	<i>Course also offered online in:</i>
PHS 5034	Health Behavior and Health Education	3	Summer I
PHS 5014	Environmental Health	3	N/A

Certificate Completion (16 total credits)

*Virginia Tech employees on tuition remission should use this course sequencing – this sequencing was designed to stay within the limits of taking up to 12 credit hours per academic year (fall semester through summer II session)
